

It has come to my attention that New Jersey's "Do Not Call" list is in jeopardy of being weakened. I strongly urge you to make sure the New Jersey "Do Not Call list" remains unchanged. Please do not sacrifice the citizens of New Jersey's rights to make phone solicitors happy. The number of people who have registered for the list (nearly 2 out of 3 households) should let you know just how strongly the residents of New Jersey feel about ending annoying, unwanted sales calls. Thank you.
